The *Added Value Unit Specification* for the National 4 English Course gives further mandatory information on Course coverage for learners taking this Unit as part of the National 4 English Course.

Development of skills for learning, skills for life and skills for work

The skills that learners will be expected to improve on and develop through the Unit are based on SQA's *Skills Framework: Skills for Learning, Skills for Life and Skills for Work* and drawn from the main skills areas listed below. These must be built into the Unit where there are appropriate opportunities.

Further information on building in skills for learning, skills for life and skills for work is given in the *Unit Support Notes*.
